Dashboard

The dashboard layout for the Employee Leave Management System is as follows:

- Header:** Employee Leave Management System (in a purple header bar)
- Left Sidebar:** A vertical list of navigation items:
 - Dashboard
 - Employee >
 - Add Employee
 - Manage Employee
 - Manager >
 - Holiday >
 - Manage Employee Leave
 - Logout
 - Profile
- Content Area:** A large central area containing several buttons and a placeholder for the Employee Leadership Board.
 - View All Managers**
 - View All Employees**
 - Employees on Leave (Daywise)**
 - View All Holidays**

Employee Leadership Board (placeholder with a black bar)

Adding Roles and Tasks

The screenshot shows a user interface for an Employee Leave Management System. On the left, a sidebar menu lists navigation options: Dashboard, Employee (with sub-options Add Employee and Manage Employee), Manager (with sub-options Manager and Holiday), Manage Employee Leave, Logout, and Profile. The main content area is titled "Employee Leave Management System" and contains a sub-section titled "Add New Role". This section includes five input fields, each represented by a grey horizontal bar, and a prominent purple "Add" button at the bottom.
